Message

It is indeed a matter of great pleasure that Kendriya Vidyalaya Sunjuwan successfully hosting the Inservice Course for TGT(Science) for the session 2016-17.

I congratulate the Principal of KV Sunjuwan and his committed team for their whole hearted efforts and dedication to make the event a great learning experience for our young talent teachers. Advance planning, paying heed to minute details, sincere workmanship and commitment at all levels has produced the desired results.

It is said that "Good is not good then better is expected" & Excellence is the gradual result of always striving to do better". Our focus should remain to provide the best facilities to the participants to enable them to conquer all limits and give their best performance.

Let us redeem and rejuvenate ourselves and look forward to achieve new milestones.
